

Norwalk this June 4th 86

Dear Sir

Having found a piece of money
2 1/2 feet beneath the ground and
I have shone it to our Bankiers
here but they cannot make out
the what money it is.

This coin is dated 720
but cannot be made very
well on the cut which
I send you inclosed
but the rest you can see
plain. Hoping you will give
me information by return
mail what money it is
or may be

Inclosed you will please
find a cut.

Yours Resp.

Asks about an old
piece of money.

I can not tell from the
rubbing, or description, what
the piece is, I am satisfied
that it is a medal, and the
date, 1720 instead of 720.
